Our Ref: EN020028

Date: 15 January 2025

---

Dear Ms Clifford

**Planning Act 2008 and The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 – Regulation 32**

**Application by Morgan Offshore Wind Limited and Morecambe Offshore Windfarm Ltd (the Applicants) for an Order Granting Development Consent for the proposed Morgan and Morecambe Offshore Wind Farms: Transmission Assets (the Proposed Development)**

**Secretary of State consultation with EEA State in accordance with Regulation 32 of the EIA Regulations**

Further to previous correspondence, we note that your State wishes to participate under Regulation 32 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (EIA Regulations) regarding the examination of the above application under the Planning Act 2008 (PA 2008).

In accordance with the Regulation 32 procedure, your State is now being given the opportunity to provide information to the Secretary of State on the Proposed Development. You may wish to provide information on:

- The potential significant effects of the Proposed Development on the environment of your State; and
- The measures envisaged to reduce or eliminate such effects.

Where you have undertaken consultation with the public of your State or with the relevant authorities, where appropriate, it would be helpful to summarise these comments in your response letter.

**Information about the proposed application for development consent**

Information about the Proposed Development and about its likely significant effects is available in the application documents which includes:

- The application and accompanying documents including the draft Development Consent Order (DCO);
- The Environmental Statement and accompanying the application;
- The Non-Technical Summary of the Environmental Statement; and
- The Habitats Regulation Assessment Report.

These documents are available on our website:

<https://national-infrastructure-consenting.planninginspectorate.gov.uk/projects/EN020032>

The Secretary of State's transboundary screening document is available at:

<http://infrastructure.planninginspectorate.gov.uk/document/EN020032-000725>

### **Timeframe for comments on the Proposed Development**

We propose a 6 weeks consultation period from the date of this letter for your State to provide comments to the Secretary of State on the application for the Proposed Development. On this basis the deadline for the comments is **Friday 28<sup>th</sup> February 2025**. If we do not receive any comments by this date then we will assume that your State does not have any comments to make on the Proposed Development in accordance with the Regulation 32 procedure. We would be grateful if you could acknowledge receipt of this notification and confirm that the proposed timescale is acceptable. Your reply to the Secretary of State should be sent electronically to: [morganandmorecambeowfta@planninginspectorate.gov.uk](mailto:morganandmorecambeowfta@planninginspectorate.gov.uk)

Further information on the transboundary consultation process carried out under Regulation 32 can be found in the Planning Inspectorate's Advice Page, Nationally Significant Infrastructure Projects: Advice on Transboundary Impacts and Process, available at the link provided below:

<https://www.gov.uk/guidance/nationally-significant-infrastructure-projects-advice-on-transboundary-impacts-and-process#transboundary-process-under-regulation-32>

### **Information about the decision making timetable**

The DCO application has been accepted for examination and the Proposed Development is now at the examination stage. The remaining stages of the DCO process are:

- Examination (the Examining Authority has a maximum of six months to carry out the examination);
- Recommendation (three months for the Examining Authority to make a recommendation to the relevant Secretary of State);
- Decision (three months for the relevant Secretary of State to make a decision on whether to grant or refuse development consent); and
- post-decision (six week legal challenge period).

If you have any queries, please do not hesitate to contact us at [morganandmorecambeowfta@planninginspectorate.gov.uk](mailto:morganandmorecambeowfta@planninginspectorate.gov.uk)

Yours sincerely

*Helen Lancaster*
